THE HOME OF SPIRIT BENDERS™

Listen. Innovate. Create. That's how we live our days. It is what led us to become Spirit Benders™. There are plenty of familiar spirits on the shelves today. We promise to always take you to a new and delicious place. We blend, smoke, age, and finish, with an end goal in mind for each spirit. We seek ways to naturally and creatively elevate each profile until the final iteration is as imagined. As Founder Chris Mayer notes, "We are driven to make each blend, each bottle, each barrel something very special that we're delighted to share with friends."

SUNRISE GIN

Have you ever thought of your gin as "creamy?" We hadn't, either, until we went deep in our creation of Sunrise Gin.

Like all good gin, the botanical basket leads with pleasing juniper. After that, our Spirit Benders™ took it in an entirely new direction.

We created this flavor using authentic ingredients and a traditional gin-making style. As someone said early in the process, "It reminds me of my favorite childhood orange treat from the ice cream truck."

DISTINCTIVE TASTING NOTES

This gin is a morning saunter through an orange grove.

Fruity and creamy. Really creamy. The upfront juniper pops then retreats as the creamy orange sweet fruitiness take over. The finish comes from the addition of vanilla in the basket.

CRAFTED FOR THE PERFECT SIP

For gin lovers, it's a brand-new taste profile. Non-traditional gin drinkers will experience it from a new and exciting place. We enjoy it on a sunny weekend morning or in the evening with sweet mixers or a simple splash of tonic.
