THE HOME OF SPIRIT BENDERS™

Listen. Innovate. Create. That's how we live our days. It is what led us to become Spirit Benders™. There are plenty of familiar spirits on the shelves today. We promise to always take you to a new and delicious place. We blend, smoke, age, and finish, with an end goal in mind for each spirit. We seek ways to naturally and creatively elevate each profile until the final iteration is as imagined. As Founder Chris Mayer notes, "We are driven to make each blend, each bottle, each barrel something very special that we're delighted to share with friends."

TWIST GIN

Perhaps you're a "twist of lime" kind of gin drinker. Or "twist of lemon."

Well, we've solved the problem of choosing between the two by packing the botanical basket with lemon and lime alongside orange and the requisite juniper. The result is an easy-drinking gin for both traditionalists and newcomers to the gin world.

As one of our favorite bartenders exclaimed, "It's an on-ramp to the perfect gin and tonic with a GREAT BIG twist!" We agree, which is why we named it Twist Gin.

DISTINCTIVE TASTING NOTES

Some gins get their snappiness from a bomb of juniper in the bottle. But we think you'll prefer the lemon and lime that snap in behind the juniper. You'll find an amazingly crisp tang of citrus with a fresh finish.

CRAFTED FOR THE PERFECT SIP

This is a bottle that certainly stands alone or with a cube but also can become your go-to with tonic and simple mixers. We developed this gin to have a fuller flavor profile by using natural botanicals and artisanal blending.
