THE HOME OF SPIRIT BENDERS™

Listen. Innovate. Create. That's how we live our days. It is what led us to become Spirit Benders™. There are plenty of familiar spirits on the shelves today. We promise to always take you to a new and delicious place. We blend, smoke, age, and finish, with an end goal in mind for each spirit. We seek ways to naturally and creatively elevate each profile until the final iteration is as imagined. As Founder Chris Mayer notes, "We are driven to make each blend, each bottle, each barrel something very special that we're delighted to share with friends."

ADMIRAL'S CUT GIN

Our Admiral's Cut Gin beacons to the high sea sailors of yesteryear. It is for those who appreciate a powerful juniper crispness in our favorite gin.

We harness the spirit's natural power, gradually refining it to deliver depth, brightness, and a finish that speaks with quiet authority.

We spend months gradually adding water to our bright gin so you can enjoy the brilliance and beauty of juniper yet appreciate its uncommonly smooth finish.

DISTINCTIVE TASTING NOTES

Admiral's Cut Gin leads with a commanding burst of crisp juniper, true to its Navy Strength roots. Bold yet refined, it delivers bright botanical complexity and a remarkably smooth finish.

CRAFTED FOR THE PERFECT SIP

Admiral's Cut Gin was made for those who appreciate strength without sacrifice. Whether sipped neat, over ice, or anchored in a classic gin and tonic or martini, it brings commanding flavor with an uncommonly smooth finish—earning its place in both timeless cocktails and slow, contemplative pours.
