THE HOME OF SPIRIT BENDERS™

Listen. Innovate. Create. That's how we live our days. It is what led us to become Spirit Benders™. There are plenty of familiar spirits on the shelves today. We promise to always take you to a new and delicious place. We blend, smoke, age, and finish, with an end goal in mind for each spirit. We seek ways to naturally and creatively elevate each profile until the final iteration is as imagined. As Founder Chris Mayer notes, "We are driven to make each blend, each bottle, each barrel something very special that we're delighted to share with friends."

CIGAR BLEND

Five bourbon mash bills from four different states come together to create a distinctive sipping bourbon. Refined yet expressive, Cigar Blend was crafted to be equally compelling with or without a cigar. Carefully selected individual barrel picks come together at 117 proof, creating a bold, balanced expression blended to perfection by our Original Spirit Bender.

Our Original Spirit Bender evaluated hundreds of barrels from four different distilleries, hand-selecting each one for its contribution to the final blend. As with all legendary blends, the whole becomes something greater than its individual components. Hundreds of bourbon aficionados contributed their input throughout this years-long project.

THE EXPERIENCE

Bold enough to complement a cigar yet balanced enough to stand on its own, Windows Cigar Blend delivers a rich, full-bodied sipping experience. Its higher proof brings depth and intensity to the palate, while layers of sweetness, spice, and dark fruit unfold slowly from sip to finish.

DISTINCTIVE TASTING NOTES

Dark chocolate and cola greet the palate. Brown sugar, butterscotch, and baking spices define the mid-palate. Medjool dates, molasses, and grilled persimmon provide a lingering finish.
