DISTILLERY

THE HOME OF SPIRIT BENDERS™

Listen. Innovate. Create. That's how we live our days. It is what led us to become Spirit Benders™. There are plenty of familiar spirits on the shelves today. We promise to always take you to a new and delicious place. We blend, smoke, age, and finish, with an end goal in mind for each spirit. We seek ways to naturally and creatively elevate each profile until the final iteration is as imagined. As Founder Chris Mayer notes, "We are driven to make each blend, each bottle, each barrel something very special that we're delighted to share with friends."

TOURBILLON

French for "whirlwind."

A French-inspired, delightfully different dram. Sourced from Canada, known for its strict production regulations, this expression brings together carefully selected 25- and 30-year-old Canadian whiskies distilled on either side of the turn of the century. Aging through cold winters and warm summers brings out a lighter, smoother character. Slow-proofed to perfection, Tourbillon is uncommonly smooth and designed to be enjoyed neat.

THE EXPERIENCE

Decades of maturity meet the distinctive influence of French brandy and wine casks, creating layers of complexity while preserving the whiskey's remarkably smooth character. Rich, nuanced, and beautifully balanced, the result is a singular limited-edition expression designed to be enjoyed slowly.

DISTINCTIVE TASTING NOTES

A cacophony of desserts blends notes of light chocolate, butterscotch, and candied apricot. Vanilla nougat joins at mid-palate. Macadamia nuts and Belgian waffles linger on the finish with a touch of wheat field.
